# **TORONTO FEBRUARY**

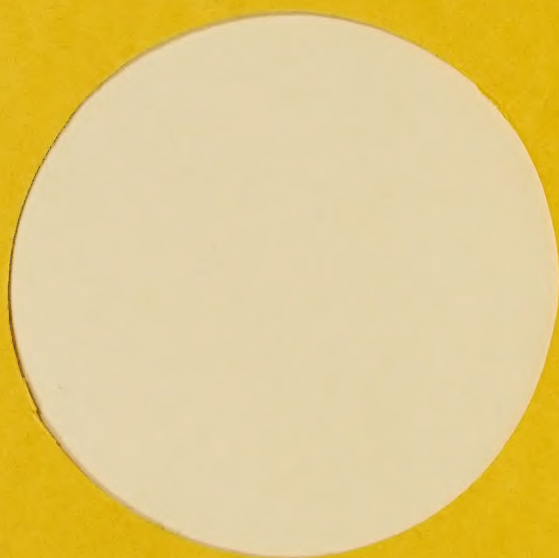

# *Shorthorn* **SALE**

**THURSDAY FEBRUARY 3rd  
1949**

**Cattle Barns - Exhibition Grounds**  
Toronto Ontario

## FOREWORD

This, the fifth annual sale offering presented by this group of breeders, offers to Shorthorn lovers a golden opportunity to found or strengthen their herds. Cattle from the previous sale offerings, distributed over wide areas in both Canada and the United States, are making an ever greater contribution to Shorthorn quality in both countries.

**LOUADA  
MARSHALL**

Junior Sire  
in the  
Cadesky herd.

As proof of the quality of Shorthorn produced and offered by the herds which consign to this sale, we point with pride to their record as major winners at the Canadian National Exhibition and Royal Winter Fair of the past two years, and at the Erin, Oshawa and Seaforth Regional shows. Their impressive championship record at each show was recently climaxed by the selection of Scotsdale Bombardier as the grand champion bull of the 1948 International Live Stock Exposition. A further indication of the measure of success achieved by these breeders in their operations is the fact that in the International bull sale, five of the herds were represented and their bulls sold for an average of \$2,390, or almost double the general average.

The animals here catalogued, represent the best blood in Canada, Great Britain and the United States. Each consignor has offered the best consignment available from his herd, and in order to secure sufficient entries it has been found necessary to include several animals which were slated for replacements in the respective breeding herds.

The consignors invite you to attend the sale and appraise the offering, regardless of whether or not you plan to be a purchaser. If you are interested in good Shorthorn cattle, keep in touch with the progress of the breed by attending the annual meeting of the Canadian Shorthorn Association on February 2nd, and this sale on February 3rd.
